

Celebrating Santa Billy Christmas in July Pot Luck

Help us celebrate the life and work of our own Santa Billy.

Let's share stories and raise a glass in his honor and remember Bill in the way he would want to be remembered – by keeping his work alive. Join us with a pledge or donation to “Operation Holiday Happiness” and help bring Christmas cheer to children and families in need. You won't believe how good it feels! All those who donate will receive a Santa Billy Button and a special place in the heart of the village.

Dress is Hawaiian shirts and festive fun!
